When Carrie Fisher recently discovered the journals she kept during the filming of the first Star Wars movie, she was astonished to see what they had preserved—plaintive love poems, unbridled musings with youthful naivety, and a vulnerability that she barely recognized. Laugh-out-loud hilarious and endlessly quotable, The Princess Diarist brims with the candor and introspection of a diary while offering shrewd insight into the type of stardom that few will ever experience. ...more The Princess Diarist PDF ebook
